Our Vision & Mission

VISION

Our vision is to become our clients' most Trusted Professional Partner.

MISSION

Our mission is to create value for our clients, our people and the firm by providing international professional services.

Aqeel Alam & Company is a firm of Chartered Accountants with its offices in Islamabad and in Lahore. We established our firm with the aim to create value for our clients by delivering quality, comprehensive, timely, practical and innovative services at evenhanded rates.

Our firm held the status of ICAP Approved Training Organization.

We are a team of distinguished Chartered Accountants and Corporate Advisors who are adept at providing an extensive range of professional services and a high degree of specialization to both domestic and international clients. Our management team has represented private and public sector clients in a wide variety of industries locally and internationally offering an effective blend of personalized service, experience and technology leadership with a strong commitment to excellence.

Our Philosophy & Commitment

Our philosophy and goal is to serve our clients earnestly, with concern for their best interests, consistent with our responsibilities to the public. As trusted advisors, we strive to attract and develop, the best professionals, to provide value added services to our clients in making the best financial decisions possible.

Consistent with our philosophy we follow a non-traditional management structure. We do employ a significant partner and director's involvement in the delivery of services. We believe that our structure, high on qualified people and low on administrative overhead, produces the highest level of professional service.

We are confident about the service platform that we offer and deliver the highest level of experience, quality and value.

OUR COMMITMENT

Our commitment is to deliver excellent service ,on schedule ,at a reasonable, affordable cost. We are committed to providing our clients with the assurance that the personal assistance they receive comes from years of advanced training ,technical expertise and financial acumen. Our constant investment of time and resources in continued professional education, state-of-the-art technology and extensive business relationships is indicative of our commitment to excellence and competence.
