
Alam & Aulakh: Global Financial Advisory & Audit

Expert chartered accounting, tax, and international corporate services. Your trusted partner in Pakistan and beyond.

Premier CA Firm in Pakistan: Comprehensive Financial Services Excellence

Alam & Aulakh is a leading Chartered Accountant (CA) firm in Pakistan, with a strong presence in Islamabad and Lahore. We offer comprehensive audit services, including statutory and multinational audits, alongside sophisticated cross-border tax consulting for businesses in the global economy.

Our seasoned professionals provide comprehensive tax consulting expertise, covering corporate tax compliance, VAT registration, expatriate services, and international tax planning. Beyond compliance, we deliver robust business advisory solutions such as management consulting, business valuation, due diligence, and foreign investment advisory.

We are your trusted partner for essential regulatory services, including FBR tax and SECP corporate services, and efficient company incorporation in Pakistan. For international expansion, we facilitate seamless international business setup and offshore company formation, with specialized support for business registration in the UAE, UK, and USA. Our expertise ensures strict IFRS and global IFRS compliance for accurate international financial reporting.

Our expansive service portfolio includes comprehensive accounting, efficient bookkeeping, precise financial statement preparation, specialized internal audit, and expert forensic accounting. Operating from strategic locations in Lahore and Islamabad, we serve clients across Punjab and nationwide, combining international standards with deep local market knowledge.

Our Journey: Building Excellence in Chartered Accountancy

Our journey, from M/s. Aqeel Alam & Co. established in 2016, to Alam & Aulakh, reflects our commitment to continuous growth. We now provide comprehensive financial services across Pakistan and internationally.

Operating from modern offices in Lahore and Islamabad, we deliver expert accounting services nationwide. Our reach extends from local businesses needing corporate tax compliance to international corporations seeking multinational audit services and global business registration support.

Each milestone, from AOB registration to our evolution into Alam & Aulakh, showcases our deepening expertise. Our enhanced focus on global IFRS compliance and international corporate structuring positions us as a global firm with strong Pakistani roots.

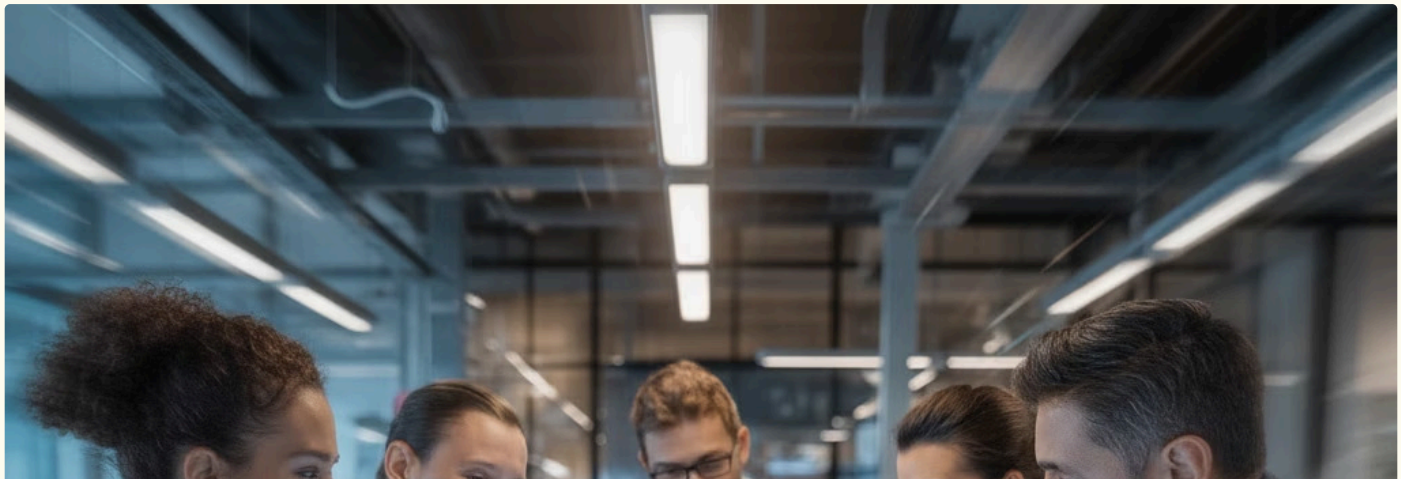
Vision & Mission: Leading Chartered Accountant Firm for Global Business

Vision

To be our clients' most trusted professional partner, providing comprehensive multinational audit services, expert cross-border tax consulting, and strategic international financial advisory. We uphold excellence and integrity in every engagement, serving clients across Pakistan and globally, supporting international business setup and IFRS compliance.

We aim to be recognized as thought leaders, bringing global perspectives to local markets and empowering Pakistani businesses to compete internationally. Through continuous innovation and unwavering commitment, we set new benchmarks for quality in the accounting profession.



Core Values & Commitment to Excellence

Alam & Aulakh is a distinguished Chartered Accountant firm with principal offices in Lahore and Islamabad, dedicated to delivering quality, comprehensive, and innovative services. We hold ICAP Approved Training Organization status and are an ICAEW Authorized Training Employer, reflecting our commitment to professional development.

Excellence

We deliver the highest quality audit and advisory services, ensuring international IFRS compliance through advanced training and technical expertise.

Integrity

Serving clients earnestly with unwavering concern for their best interests and public responsibility in all tax consulting and financial advisory services.

Innovation

We continuously invest in technology, education, and business relationships to enhance our business advisory, FBR tax, SECP corporate, and international business setup capabilities.

Our commitment to excellence at Alam & Aulakh permeates every aspect of our practice. We strive to provide meticulous and comprehensive services, ensuring clients receive technically sound and strategically valuable solutions for corporate compliance, international financial reporting, and business growth.

Big Four Experience

Our team brings extensive "Big Four" accounting firm experience, combining global best practices with deep local insights to deliver unparalleled financial and accounting advisory services.

Partner Involvement

Clients benefit from direct and hands-on involvement from our partners, ensuring personalized attention and strategic oversight on every engagement, from audit to management consulting.

Cost-Effective Excellence

Our agile and efficient structure allows us to offer premium Chartered Accountant services with greater cost-effectiveness, providing superior value in due diligence, business valuation, and forensic accounting.
